2) Minutes of the meeting dated 15/03/2024 on State Business Reform Action Plan (SBRAP)

As part of implementation of Ease of Doing Business (EoDB), the State Business Reform Action Plan (SBRAP) for the year 2024 mandates a reform recommendation that all the states/UTs shall enable Permanent Account Number (PAN) as a single Business user ID and to ensure that the existing IT Systems of departments/agencies mandatorily capture PAN for each profile/business approval related transaction.

Accordingly, the Board hereby mandates the capturing of PAN for all industry/establishment registrations done through the consent management web portal. Further, PAN shall be the login ID of all industries/establishments. This circular comes into effect from this date.
