KERALA STATE POLLUTION CONTROL BOARD
PATTOM, THIRUVANANTHAPURAM – 695 004.

APPLICATION FOR APPROVAL OF LABORATORY

1. Name and address of the Laboratory   :

2. Name, Designation and address of
    the Head of the Laboratory (Applicant)   :

3. Name and address of parental body   :

4. State whether Govt./Quasi Govt./
    Public Sector/Private Undertaking   :

5. Nature of work (Industry, Research,
    Teaching, Consultancy, others-specify)   :

6. Approval sought
    (Please tick whichever is applicable)

Analysis of water	□
Analysis of waste water	□
Analysis of Ambient Air	□
Analysis of Source Emission	□
Analysis of Solid Waste	□
Sound level measurement	□

    Others(Specify)-

7. Previous approvals if any:
    a)   By this Board   -
    b)   By other organizations(specify)   -

8. Details of Consent/Authorization received
    (Applicable to laboratories attached
    to industries)
        a)   Number and date of issue   -
        b)   Date of expiry   -
        c)   Parameters being analysed   -

9. Details of qualified analysts:

Sl. No.	Name	Designation	Qualification	Experience	Other information

10. Parameters which can be Analysed in the Laboratory

(See Appendix B for the detailed list)

a) Water/waste water/solid

Parameters	Method	Instruments/ Equipments used	
		Name	Make & Model

b) Air/Emission

Parameters	Method	Instruments/ Equipments used	
		Name	Make & Model

c) Sound Level -

11. Intra laboratory AQC programme, if any, participated in.

Agency conducting the exercise	Frequency of programme	Performance Achieved

12. Power supply:
    i) Single/three phase   :
    ii) No. of power plug point   :

13. Laboratory building
    i)   Own/rented   :
    ii)   Available laboratory space :

14. Application fee remitted
            Demand Draft No :
            Date   :
            Amount   :
            Bank   :

Place: Signature -
Date: Name –
                                          (Head of Laboratory)

Note:
1. The application should be accompanied by:
    a) Layout of the laboratory showing position of important instruments/ equipments, workbenches, sanitary fittings, hood, exhaust fan etc.
    b) List of scientific books, research journals, periodicals and other references materials available in the laboratory.
2. Approval of the laboratory will be issued after inspection of the facilities by Board officials.
