ORDER

In exercise of the powers conferred under Rule 11(1) (i) of the Solid Waste Management Rules, 2016, Government hereby directs that all Special Economic Zones, Industrial Parks, and Industrial Estates (Industrial Development Areas, Industrial Development Plots or by any other name called) in the State shall mandatorily allot or assign at least five percent (5%) of the total area of the plot or minimum five (5) plots or sheds for the establishment and operation of waste recovery or recycling facilities.
